

Max Attraction: The Max Attraction Pheromone Cologne Examined

Being well aware that many folks continue to be blindly stumbling throughout the internet in search of real information regarding attractant pheromones, after listening to the name [Max Attraction](#) for years, but finding no reliable information on this [pheromone](#) spray, I opted to give it a go!

During my initial research I discovered that Max Attraction Gold, is pretty much the actual flagship [pheromone cologne](#) produced by a company known as LuvEssentials. I'm embarrassed to say I knew very little about these folks at the time I ordered their [pheromone spray](#) and prepared to put it through its paces.

However, in my experience this is often an excellent thing! As there is that many companies with a truly quality product won't need to excessively market their products, their quality is known via expression of mouth! LuvEssentials immediately fell into this category as I found out during my cursory research.

So what is Max Attraction? I'd later on find out that this pheromone perfume is pretty much a hybrid cologne, composed of Androstenone, Androsterone, as well as Androstenol! If you know anything regarding pheromones, this can be a rather aggressive and also powerful mix to become contained in any single [pheromone cologne](#)!

What is [Androstenone](#)?

Androstenone is a human pheromone which the pheromone community refers to as basically as a sexually based pheromone compound. Androstenone signals to people exposed, among other things, dominance, aggression, competition, and is highly known to be associated with, and to stimulate feeling of strong [sexual attraction](#)."

What Will be [Androsterone](#)?

Androsterone is often a human pheromone that seems to have the effect of creating a great aura of masculinity about the wearer, and signalling an impression of protection, security, and reliability. In other words, a woman exposed to a male wearing Androsterone would most likely view him as an Alpha Men protector sort, a man who would typically take care of her."

And Finally, What's Androstenol?

Androstenol is referred to as a social pheromone compound. The effects of being exposed to Androstenol signal the following; a sense of youth and vitality, friendliness, comfort, relaxation, and chattiness. In essence, in this case, a female being exposed to Androstenol would be more likely to become friendly and relaxed, and would feel more at ease to take part in prolonged conversation during the period of exposure, i.e., a social pheromone...Very good for "breaking the ice," and freely getting conversations going, especially with strangers."

Now it ought to be said, I was now a bit optimistic after learning which usually pheromone compounds consisting this mix in Max Attraction. As I became well aware that both Androstenone as well as Androsterone equally have been used to very good result in a about my favorite colognes known as Alpha 7 Scented, so I was well aware of these effectiveness!

- However, the introduction of Androstenol was something fresh regarding me!
- At least as utilized inside exactly the same blend as Androstenone and Androsterone!
- So now I was chomping in the bit to give this stuff a try in the "real globe," to see what, if something that it could actually do!

“

Tips for a healthy relationship Inside an ideal scene, each and every time a man comes across a lady, the lady falls with regard to the young guy and so they ride away from in towards the sunset on a white steed. That sequence, despite the fact that relatively also abbreviated, expresses the...

After receiving my new container of Max Attraction Gold pheromone spray, I opted to put it to use very quickly, wearing it the next morning before leaving my house in order to head off to work. On my way to work I made my ritualistic visit to my local Dunkin' Donut shop in order to pick up my standard large cup of coffee. Needless to express I would soon [notice] that this day's standard cease would be slightly different!

Nearing the cashier station and quickly greeted two really attractive young Asian girls manning the counter, both no less than 15+ years my juniors, both whom I saw nearly daily with little incident. Except today was to be different.

Max Attraction Androstenone Androsterone Pheromone Spray Pheromone

As I was looking up reading the menu for the wall, out of the corner of my eye I noticed these two attractive young ladies quickly looking back and forth at each other, while wearing big grins on their faces and smiling at one another. The cuter of the two then rapidly and frequently ocean your ex-palm throughout her forehead, as though cooling herself?

My curiosity peaked, I appear straight down from the menu on the wall and see myself staring at both ladies standing right now there together with big smiles, their eye balls wide open as well as looking at me! They will both have which "Dear Caught Inside Headlights" appear when they stared with me smiling and also unblinking! I thought to be able to myself, this is cool, I've never gotten this kind of reaction from either one of them before!

Then placed my personal buy and also handed over my debit card, and had been taken aback a bit by the rather extra polite and borderline flirtatious actions I became getting from both these types of young ladies, as I stated 15+ decades my juniors! I obviously smile back from each of them, and they seemed to behave as if they were girls inside school caught staring at a hot old teacher that they had a crush on or something, it was a little weird to be honest!

Nevertheless, I paid as well as left as I was going to always be late regarding work! Now allow me to just state this particular, exactly what transpired at my workplace this morning, as well as on my personal repeat trip to Dunkin' Donuts the following day, simply left me no doubt that Max Attraction was some effective stuff!

I've tested a lot of pheromone colognes over time now, some been employed by well, while some have done essentially absolutely nothing, other than strain my pocket book of funds! However, after wearing Max Attraction with regard to six full days, I was over satisfied that this product was the real deal! As well as quite frankly, in the hands of an experienced pheromone enthusiast, this stuff is da.
